

**Me**

8:35 p.m., Feb. 3

Hi. I'm told the cannisters are being dealt with as I write (can confirm shortly) but I'm very concerned with the wooden structure which is not just brazen and illegal but a symbol of permanence that I believe we want to absolutely address collectively. Risk of broken telephone but I'm hearing through my team that OPS is not willing to facilitate dismantling or removal. And I don't have any enforcement capacity.
